NOTE—Contn. Sheet

Serial No.

The question of Starting a Unani College appears to be a new subject to be dealt with quite independently of the reorganization of the Ayurvedic College. Subsequent orders if any may be transferred to the Medical Section.

3) Questions regarding the establishment of a Unani Medical School in the State and the teaching of the Unani system of medicine in the Ayurvedic college at Mysore having been brought up in the R. Assembly in the past, G.O. No. 2407-16/Mly 729-12-4 & 12-3-14 was issued stating that as the Ayurvedic Coll. was still in its infancy, it was inexpedient to enlarge its scope just then and that the question might be dropped for the time being.

8. In para 3 of G.O. No. 579-20/Mly 522-18-2 & 13.8.19 sanctioning the scheme of reorganization of the Ayurvedic Coll.

Serial No.

at Mysore, the Mys: Supdt was requested to subt his proposals for the teaching of Unani system of medicine, for the consideration of Govt when passing orders on the scheme - In reply to this, the Mys: Supdt having written that it was not possible then to run up a Unani College on account of financial stringency, the question was dropped for the time-being.

Q In G.O. No. G. 3946-49/Med 40-19-3 of 23.8.1918, a scholarship of Rs 75 per mensem was sanctd to a graduate in Western medicine with adequate knowledge of Persian & Arabic, to study the Unani system in the Tibi College at Delhi for a period of 5 years. Another scholarship of Rs 50/- per mensem to a Unani Hakim, possessing the necessary general educational qualifications in English to study for the L.M & S., or M.B., B.S Degree of the Bombay or the Madras University - Provision has been direct to be made in the Education budget for the grant of these scholarships - Information as to whether these scholarships are now in force granted at present, should be obtained from the Education Deptt of the Secty?

O.S. From the above facts, the starting of a Unani College, is a question of funds -
